## DETAILED ACTION

### *Remarks*

1. The 103(a) rejection, as set forth in the previous Office Action, is withdrawn.

### *Allowable Subject Matter*

2. Claims 1-2, 4-8, 12-16 and 24-26 are allowed.
3. The following is an examiner's statement of reasons for allowance:

The prior art of record, Kim et al. to US 6,484,300 teach a related method, as stated in the previous Office Action. In contrast, Kim et al. neither teach nor suggest *measuring* a pattern density of a layer *prior to* calculating polish time and polishing the layer. Saka et al. to US 6,476,921 do not remedy the deficiency in Kim et al. for the same reason. Applicants' arguments against the cited references are persuasive.

Therefore, the instant invention is neither anticipated nor rendered obvious over the prior art of record.

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
5. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Hsien-Ming Lee whose telephone number is 571-272-1863. The examiner can normally be reached on Tuesday-Thursday (8:00 ~ 6:30).

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Olik Chaudhuri can be reached on 571-272-1855. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
